Program Summary
May Born Arabians is a Riding & Horsemanship Lesson Center geared towards beginner, intermediate, and advanced equestrians looking to further their abilities on and off the horse. Our goal is to build well rounded horsemen and women that go on to become knowledgeable and committed participants in the horse industry supporting all breeds and disciplines. We focus on safety, proper technique, learning about the horse as a whole, and having a fun and fulfilling experience! The program is led by owner and head instructor Kendra May. After spending more than twenty years working with horses and earning a degree in Equine Science from the University of Arizona she is well equipped to provide clients an exceptional experience.

Lesson Description
- Private, Semi Private, or Group instruction. Group is only available for students in level two or above.
- Must be at least 5 years old.
- All lessons are taught with an English saddle but teach the fundamentals needed for English & Western.
- 90+ minute experience with 30-45 minutes of actual riding time.
- Students learn safety, ground handling, grooming, tacking, riding, and day to day care of their school horse.

Leveling System
MBA utilizes a strict leveling system for students to move through the program. The system is based on mastery of skills, not time in the saddle. This ensures all students are perfecting the basics which provides a strong foundation for them to work off of when attempting more demanding skills in the future.
We have five levels to work through. Each student no matter their experience will start at level one. The pace at which students progress varies greatly and is dependent on a large variety of factors. Some students with prior experience or more natural ability may progress through level 1 in one lesson. Some students may take a full year+ to move up. For first time riders under the age of 10 you can generally expect to be in each level about a year before moving up.

After taking a trial lesson students can enroll into a Ten Week Session (one weekly lesson for 10 weeks in a row).

Students are provided a 10 Week grace period to accumulate these items.

Saddle Policy- All students must ride in an English saddle during lessons to ensure they are efficiently learning to balance, maintain correct mobility, and properly hold/distribute their own weight. Western saddles make mastering these fundamentals more difficult. Western saddles may be used sporadically within the program for special circumstances such as camps, clinics, and fun rides.

Lesson Barn Safety Policy- For safety purposes only lesson students and instructors may enter the riding prep area. Parents and friends are welcome to watch barn activities from afar.

Payment Submission Policy- Payments for upcoming sessions are due one week prior to the start of the new session. If paying in full you will receive one lesson free. Cash or check can be submitted to the deposit box in the barn. All deposits must be sealed in an envelope with the student's name, date, amount, and list what the payment is for. Zelle payments can also be submitted to info@maybornarabians.com for online payments. At this time we do not accept Venmo or debit/credit cards.

Payment Plan Policy- If you are unable to pay in full one week prior to the start of a session you may take advantage of our payment plan option.
